DELICIOUS ORIENTAL FOOD COOKED FRESH

Singapore kitchen was originally opened by my uncle back in the early 70's, and remains a family run business to this day. My auntie originally came from Singapore and was the chef, hence the name: Singapore Kitchen. Their aim, and now ours, is to offer a variety of wholesome, good quality oriental food at reasonable prices.

All of our dishes are freshly prepared in our kitchen and are made to order. Only the freshest quality ingredients are used to ensure the highest standards are maintained.

Pop in to our shop to place an order or give us a call to arrange a collection at your convenience. Alternatively, hop over to our website – www.singaporekitchen.co.uk – and place your order quickly and easily to arrive piping hot at your door.
